# SYMPOSIUM 2022

WE WANT TO FINALLY SEE OUR MEMBERS LIVE ON THE SYMPOSIUM STAGE AGAIN!

APPLY NOW TO SPEAK AT THE **LIVE 2022 SYMPOSIUM!**

The application **deadline** for submission is **8 November 2021**

After two virtual symposiums, we are daring to take a big step in 2022: Together with you, we intend to bring the prostep ivip Symposium back to the assembly halls and workshop rooms at the ICS. Come and enjoy the same experience (or at least something similar) that you were able to enjoy up until 2019: Two days full of inspiring keynotes, instructive presentations, stimulating workshops and of course an enlightening exhibition.

**NOTE:** Only members of the prostep ivip Association can apply to give a presentation/hold a workshop at the 2022 symposium. As a vendor, you are also required to include a user who is a member of the prostep ivip Association in your presentation. The program committee will not take non-members into consideration when creating the program for the symposium.

**WOULD YOU LIKE TO SPEAK** at the prostep ivip Symposium?

You need the following to register:

- Title of your presentation/workshop (in English; also the German title if possible)
- Selection of the category: Industry Track/Scientific Track/Workshop
- Abstract (max. 1500 characters)
- Additional information about the persons or companies giving the presentation
- Request regarding language of presentation (your presentation can be in German or English). Slides must be submitted in English).

**WHEN WILL YOU KNOW WHETHER OR NOT YOU HAVE BEEN SELECTED TO GIVE A PRESENTATION?**

We will let you know whether or not you have been selected during the week of 6 to 10 December 2021. As we expect to receive a large number of submissions, we are unable to guarantee that your presentation will be accepted.

**WHICH IS WHY WE NEED YOUR HELP.**

The call for contributions will be launched on 29 September and the registration platform will be opened.

<https://registration.prostep-ivip-symposium.org/abstract-submission>

**PLEASE NOTE:**

By submitting your application, you are committing to speak at the symposium on 1 or June 2022.

**EXHIBITION 2022**

The parallel exhibition neatly rounds off the symposium. It is a unique source of information and provides the perfect opportunity for networking. Only members of the prostep ivip Association are given the opportunity to showcase their company at the exhibition. As an exhibitor, you are given the opportunity to select your booth yourself.

**BOOTHS CAN BE BOOKED FROM 16 NOVEMBER 2021**

Please note that exhibition space is limited. The booths will be assigned on a "first come, first served" basis. You will find everything you need to know about registering your company for the exhibition on our website.
